

Great Thanksgiving  
*Tune: LM Gift of Love*

The Lord's with us.  
Is with us all.  
With lifted hearts,  
We hear the call  
To give our thanks  
And all our praise  
Not just today  
But for always.

You made the world  
In which we live.  
Provided all  
The gifts we give.  
Our richest gold  
Comes all from Thee  
To meet the needs  
You always see.

In Christ there is  
No poverty.  
Christ taught us how  
To meet all need.  
With sacrifice  
And poured out blood,  
Christ shared with all  
Your gracious love.

Open our hearts.  
Open our eyes.  
This bread and wine  
Is Jesus Christ.  
Our bodies, souls  
Transform us too  
Into Your church  
A bride for You.

*(After communion is served)*

We consumed this  
Your mystery.  
Your gracious love  
For us to see.  
Now let us share

With all we meet  
This communion  
This grace so sweet.
