

Great Thanksgiving
sung to the tune of “God is so Good”

1. God's always near, God's always near, God's always near and casts out our fear.
2. God loves us all, God made us all, God uses all to fulfill God's call.
3. Christ is the bread, Christ is the wine, Christ is the feast, It's salvation time.
4. Spirit come down, dry bones can live, bring us new hope and our sins forgive.
5. You are our God, you give us breath, use us this day to bring life from death.
6. Thanks for this meal, thanks for new life, now send us out to bring hope and peace.
