

I See Your Stars

Passion Choral 76.76D

Text: M.C. Johnson 2017

I see Your stars and wonder
My heart is so amazed
Your voice, it sounds like thunder
I tremble at Your gaze
I feel so small before You
Though safely in Your hand
So all my life I give You
And with You I will stand.

I see You in Christ Jesus.
I hear You in my Lord.
I smell You in His sweetness.
Your touch I have adored.
I taste You in communion.
Jesus is present here.
Christ is my true companion.
Your grace that's always near.

Pour out Your Holy Spirit.
Please, touch this bread and wine.
Not to reward my merit,
But through Your grace Divine.
May we Your church be transformed,
And never be the same.
May all our lives be reformed
To glorify Your name.

Thanks for this holy mystery.
Thanks for a redeemed heart.
You've blessed us throughout history,
O God how great You are!
Now use me in Your service,
use me to show Your grace.
Now heal all those around us,
Both now and for always.
